10                    The following remarks are offered in response to the  
final Office Action mailed 07/15/2003; a petition for an  
extension of time and an RCE are included with this response.  
Please note that although a Notice of Appeal was filed on this  
patent application, a Request for Continued Examination (RCE)  
is being submitted to continue the prosecution of the patent  
application rather than continuing with the appeal process at  
15 this time.

No additional fees are believed to be necessary for this  
response; if, however, any fees are necessary, please charge  
Deposit Account No. 50-1888 of Joseph Burwell to cover the cost  
of the fees.
